

Hello, my name is Justin
Simcock. I was born in
Jacksonville, FL and I am a
human being.

Three adjectives others
might use to describe me are
stoked, confused, and
grateful.

My favorite color is . I
am colorblind. My favorite
animal is lion and my favorite
musician/band is cello music.

In my free time I like to surf,
read, pump iron

If I could go anywhere, I
would go to my past lives
because it would be crazy.

I am most worried about
being reborn as an animal in
a zoo.

I am most proud of ...

My favorite thing about
myself is I try to find the
humor in everything.

When I was a kid, I wanted
to be a ninja.

I usually wake up at 4, and go
to sleep by 10ish.

I went to Dr. Phillips for high school and BU, DLI, UH for college, where I majored in IR, ECON, Chinese.

The most interesting topics
I've learned about are
meditation

Currently, I am a scientific
programmer

I enrolled in this class
because I am stoked to see
other people grow

My experience with data
analysis is across many
sectors

I learn best when my life
depends on it.

I am most excited about
learning about being a good
coach because its hard to
transfer knowledge.

After this class, I hope to
prepare for the next class...

My dream job is being a
ninja

The philosophy I live my life by is WIP but something like the golden rule.
